Good Morning all,  
I posted the transfer of funds a few moments ago.... You should see \$1000 from the Dean in each account later today.  
Thanks 😊

Hi Barb,

I believe the reason you are receiving an error message has to do with an incorrect funds center number. The actual number for SSHE FPDC Witmer/Wimer is [REDACTED] and not [REDACTED] as Miriam has notated. The [REDACTED] is the fund number assigned to the SSHE grant.

If you try to enter it again using [REDACTED] is should work, please let me know if it doesn't.

Gladys

Barb,

I'll have to pass this to Gladys because I'm not sure how to transfer funds in E & G Accounts. I think the 902 might be the wrong budget item.

GLADYS - Can you help with this?

Thanks,
