Great. Once I do get the go-ahead from George, I'll transfer the funds there.

Thanks!

Yes, I am fine with running it through the Color of Teaching Fund Center.

Thanks, Miriam

Hi Miriam,

Assuming that George will confirm this for you, we still have a bit of trouble... We actually cannot transfer funds between fund centers that start with 603 (as yours does below) and those that start with 601 (ours) because 601's are discretionary and 603's are specific function. Can any of your costs be run through the Color of Teaching fund center? Is it related at all? I can transfer funds to that one (6012 222 024). Alternately, you can overspend your academy funds and I can work with the budget office to reclassify some expenses after the fact.

Thanks,

Barb

Hi, Barb:

I hope you are well.

Dr. Drake agreed to support the Summer Academy III (with \$2000, I think/hope) so I am checking to see if you can confirm with him and then transfer the money to the following fund center: 6035300518

FYI- We are running it July 21-25, 2019. We need to officially hire our mentors ASAP as we finalize the plans for the week.
